Dear Parent,

At Handale Primary School we believe it is important that you are involved in every stage of your child's education. Throughout a child's education they may find some things challenging and need more support to overcome the barriers at different times in their journey. If a child is identified as having barriers with their learning they are closely monitored by our Specialist lead, Mr Emmerson. Once a child is identified as needing extra support, they are provided with an Individual Education Plan, which is personalised to meet their needs, often referred to as SEN (Special Educational Needs) plan.

With this in mind we would like to invite you to join us on Monday 9th September 2024, to discuss your child's learning journey for the forthcoming year with the new class teacher and our SEND leads, Mr Emmerson and Miss Kendall.

During this meeting they will discuss your child's needs and the targeted approach school will take to support them in overcoming them. This will also be a great opportunity to share any concerns or areas to celebrate with school.

Please complete the slip below to indicate which time you would prefer. Mr Emmerson and Miss Kendall will then get back to you with a time.

If you are struggling to attend on the dates provided we are able to offer you an alternative appointment, as we believe this meeting is important. Please indicate your preferences below.

Thank you,

Yours faithfully,

Mrs N Padgett
Headteacher
